DICK WAGNER

5/25/2017 May Meeting

15 members and guests present.

7:10 brought to order.

President Dick said the rusty pilot program was very well received with 26 in attendance.

The Elkhart Truth ran an article about the upcoming Young Eagles event.

Michelle mentioned that she would like more pictures of airplanes, cars and motorcycles for the Fly-In / Drive-In / Ride-In flyer.

No new information on the B-25 weekend.

Sam Heiter from the FAA was our guest speaker for the evening.

Sam covered a variety of topics. Under “what’s new” he reviewed several topics.

Starting with the reorganized FSDO Districts, Elkhart is now part of the Grand Rapids FSDO.

The Airplane Flying Handbooks were discussed along with the FAA’s

Compliance Philosophy.

The remainder of his presentation was on the new Basic Med program which went into effect May 1, 2017. He started with the history of the program, then the how to’s then finished with Questions & Answers.

Sam is very knowledgeable and did a very good job explaining the new Basic Med program. Everyone left with a much better understanding of where it came from, how it works and what they are supposed to do if they wish to participate. Thank you Sam for spending your evening with our Chapter to help us.

The meeting adjourned at 8:45.

Project Updates

Don & Karen’s Cub: Coming right along. Final engine assembly. New cowling installation. (Correction: Don’s Cub, it was bought by Don before Marriage. Just don’t want any misunderstanding.)

Piet’s: one rib jig is finished and rib pieces are cut for templet.

GREAT JOB

We want to tell Damien Dieter, Brett Schuck, Steve Leshner, and Jim Miller “great Job”. For Memorial Day they flew a “Missing Man Formation” over the South Bend & Mishawaka Parades and Four Winds Field. Very Impressive!

6/8/17 Board Meeting

Dr. Doug, Don, Karen, Steve, Vic, Dick, Michelle, Jim, Jerry

7:20 meeting was brought to order.

Doug reviewed the upcoming Young Eagles event. He has 93 kids pre-registered and 13 pilots lined up. Friday will set up starting at 4:00p.m. Local media is supposed to be present. All is in place and it looks to be, thanks to Doug's hard work, the best event yet.

The September Fly-In / Drive-In / Ride-In event is coming together. Michelle still needs a couple of more pictures for the flyers. She hopes to be finished in time to be able to distribute at the June Fly-In's. Dick suggested that we have some directional type signs made up so that people know where to park, enter, etc.

Dick was curious if anyone had applied for the Basic Med physical. Still some questions and Dick will be contacting Sam Heiter for clarification.

No new information on the B-25 event at this time.

The June pot-luck will be held at the Chapter hanger. The Chapter will provide the meat and we will start at 6:00, an hour earlier than our usual time.

Marty King donated \$200 for the work the members did at the open house breakfast.

Jerry said that he will get Chris Phenis his scholarship money out to him as soon as he gets his address.

Karen noted that Chris got 100% on his recent final exam.

Steve said that Menards currently has a sale on a steel entrance door. Our old wood one is showing its age and is need of replacement. Issue regarding the difference in door length and mounting so it was unsure if it would fit / work.

Meeting adjourned at 8:10 to Culvers where Michelle and Cindy had to tell them in no uncertain terms that chocolate was supposed to be in the flavor of the day.

FOR SALE: 1939 Stenson HW 75 (like a 105 or 10A)
