***Saturday Morning:** We have started up Saturday Morning Breakfasts. We will be asking for help in the kitchen, doing some of the breakfasts and help with the cooking. Look for a new schedule I made out for you to sign up for a Saturday to cook. If everyone takes their turn and share the load then a couple of people won't have to do it all. You can make up your own Menu of what you want to fix. Give Vic a copy of the receipt and you can be paid for money spent. It is nice having a different menu each Saturday, but we do need help. PLEASE HELP US OUT.*

Board Meeting 12/8/2016

Dick, Jerry, Karen, Jim, Cindy, Vic, Ted, Steve, Don, Eleanor, Michelle, Phil (12)

7:05 – 7:45

Christmas Party: (12/3/16) 43 paid - \$691 + \$356 from beer/wine/silent auction.

Matterhorn \$672 (food) / Eleanor & Karen \$132 (supplies & decorations)

Net profit \$243

All were happy with the food, location, date and time. Ted said Eleanor would be more than happy to chair again next year.

Board unanimously voted in favor. Congratulations Eleanor!

Ted would like to renegotiate the Matterhorn cost next year and it was suggested that we might be able to lower the cost by having the party at the Matterhorn location. It was also noted that we had quite a bit left over food.

We next discussed some tentative dates for 2017:

The Honoree Banquet in April and the spring work party at OSH in late March.

Jerry reminded everyone of the Hangerover lunch January 1st from 11 to 2 at the Nappanee airport.

Scholarship candidate names should be submitted to the board for review as we will have some funds available next year.

President Elect Dick brought up several suggestions for Chapter events next year and he would like input from the members as to what we would like to do and accomplish.

Dues are now due for 2017. The \$20 should be given to Jerry and he prefers checks over cash. The board disused how delinquent dues should be handled.

~~~~~

The Honoree Banquet has been set for April 27, 2017. There will be more on it later.

Don't forget Dues!!

See you at the January Meeting on January 26, 2017 at 7:00. It is going to be an interesting meeting and the First of the Year so it will be good to see everyone.

Board Meeting 1/12/2017

Don, Karen, Eleanor, Dick, Jerry, Vic, Bill, Ted, Phil, Jim, Cindy, Steve, Michelle, Dave (da boss) – 14

7:05 – 8:15

Ted nominated Steve as 2016 honoree of the year. Board unanimously approved.

The banquet will be held once again at 4 Lakes on April 27<sup>th</sup>. Karen will contact and firm up the reservation.

The mailing list is being reconciled and brought up to date. Members who did not renew last year will be sent a letter encouraging them to reinstate.

Phil has set up a Gmail account which can be used for membership communication.

User name and password will only be made available to current (paid) members.

The spring work party at OSH is tentatively set for the weekend of March 10 – 12.

Our Chapter web site which is provided by EAA but maintained by 132 is:

<http://132.eaachapter.org>

Jim has been attaching the Vortex's and there are some past event pictures but we can use more. Feel free to send Jim any pictures to: [jbutler@profleet.com](mailto:jbutler@profleet.com) and he will post them.

These can be for anything Chapter related including events, member projects and / or airplanes.

The spring Young Eagles event is tentatively set for June 11.

There are several events the board is looking at for 2017. A Fly-In / Lunch / Car show.

A Fly –Out. The Rusty Pilot program put on by AOPA. Anyone with other ideas or who would be willing to chair any of these should contact President Dick.

A letter was read from Christopher Phenis. This young man is starting his education towards both an A&P and pilot's license. He is requesting consideration for our scholarship. After a brief discussion the Board unanimously approved the grant.

*Below is a letter we received at the Chapter House after the Young Eagles Day last Fall. I was asked to print it in the Vortex.*

Thank you for the airplane  
ride. It was my first time. Hope  
to see you again.

### **A Mother's Gift**

**The eagle gently coaxed her offspring toward the edge of the nest. Her heart quivered with conflicting emotions as she felt their resistance to her persistent nudging. "Why does the thrill of soaring have to begin with the fear of falling?" she thought. This ageless question was still unanswered for her.**

**As in the tradition of the species, her nest was located high on the shelf of a sheer rock face. Below there was nothing but air to support the wings of each child. "Is it possible that this time it will not work?" she thought. Despite her fears, the eagle knew it was time. Her parental mission was all but complete. There remained on final task—the push.**

**The eagle drew courage from an innate wisdom. Until her children discovered their wings, there was no purpose for their lives. Until they learned how to soar, they would fail to understand the privilege it was to have been born an eagle. The push was the greatest gift she had to offer. It was her supreme act of love. And so one by one she pushed them, and they flew!**

Sincerely,

David McNally

Macy. Thank you
