**FOR SALE:**

Here is an e-mail that Phil received from Nano to sell a Prop:

I would like to sell a spare prop I have. It is a McCauley Prop Model 1A101 DCM 6948. It fits on an O-200. It does not have a prop logbook. It is in great shape. I am asking \$1000.00

My dad had it on our champ and about 6-8 years ago he put another McCauley on it.

Do you know anyone around the area that might be interested in this prop? If so could you give me their names?

I spoke with Propeller shop in southern Indiana about how I could sell it as well as how to get it certified etc. He said it would cost me \$900.00 for certification. And then I could sell it for \$1500.00. HE suggested listing it on Barnstormers for \$1000.00.

I thought I'd ask around locally and see if anyone was interested before I listed it on barnstormers. If I sell it on Barnstormers I will need to secure a box and ship it.

Thanks  
Nano

6:30 President Phil provided a delicious meal consisting of chicken-n-noodles, dinner rolls, vegie tray, cheese cake and poppy seed bread made by Phil Sr.

7:05 the meeting was called to order. The January meeting and February board meeting minuets were reviewed.

The June meeting will be held down at the Chapter hanger and will be a pot-luck. The Nappanee Chapter will be invited and the evening's program will be from David Parker who will be making a presentation on Indiana Aviation History.

The Oshkosh spring work party is set. We will be leaving the morning of Friday March 27 and returning Sunday evening March 29. We currently have 13 going with possibly 2 more. EAA will be providing lodging and possibly a meal both Friday evening and Saturday lunch. Transportation still needs to be worked out.

Both the Boy Scouts and CAP will be participating in our next Young Eagles event. Possibly expanding the tower tours to include more of the airport itself. Both the City of Elkhart and the community as a whole have shown great interest in this.

Dr. Doug will have more information in the near future. Mark your calendars (June 6) as he will need lots of help.

Both the June and July EAA videos were shown and the meeting adjourned at 8:25.

=====

3/12/15 Board Meeting 7:10 – 8:25

Jerry, Vic, Ted, Eleanor, Phil, Don, Karen, Jim, Cindy, Steve, Andy

Andy started the meeting out by bringing us up to date on the May 16 & 17 WWII reenactment.

It will be called "Salute to Veterans" and Veterans will get in free.

Ticket prices for everyone else will be \$15 if purchased in advance and \$20 at the gate.

The proceeds will be used as seed money for a full blown air show in 2016.

Andy has had pretty good luck obtaining sponsorship funds from the community and is optimistic that he will be able to cover 100% of the costs for the reenactment weekend.

There will be a separate ticketed event the evening of the 16<sup>th</sup>. It will be a UFO dinner and dance.

Andy asked us if we would be willing to provide four meals for those working the event. Breakfast and lunch both days. He offered to pay us \$1,500 plus pick up the food cost. We tentatively have agreed to do so. One condition was that he provide a form of identification for anyone he want's fed and a hanger to use. We also said it would not be an all-day availability but would be limited time frames for both meals. All of which Andy agreed to.

We reminded Andy that we were still awaiting the paperwork necessary to relieve Sam and place our Chapter in Sam's hanger for \$1 per year.

Sam's Hanger - Sam has not been paid the \$100 per month rent we committed to since October 2013. We have earmarked the profits from the Salute to Veterans weekend for that although we will hopefully be able to get him something before then. It was noted that the hanger rent for the use of a member of our Chapter is \$50 per month. Steve volunteered to be our hanger manager. He will be putting together a formal letter of agreement which will need to be signed by any member who will be using the hanger for his or her project. He will also keep track of who owes rent and any maintenance and utilities. Karen made a motion, seconded by Jerry that we wave the hanger rent for the Aluminum Angel project. It passed unanimously.

Ted made a motion, seconded by Steve that we put the Minimax which was donated by an unknown benefactor up for sale. Phil will see if Dave will list on the TEAM web site. Asking price will be at least \$3,000. We will leave up to Phil and Dave to set the asking price. Motion was passed.

Orders for Chapter clothing have been coming in and a reminder that (paid for) orders must be in our hands by March 31.

We will attempt to match the hat to the jacket color (blue).

Meeting meals for the remainder of the year: March = Vic / April = Honoree Banquet / May = Don & Karen (or is it Karen & Don) / June = Pot Luck / July = Oshkosh / August = Duck Picnic / September = Ted & Eleanor / October = Cindy / November = Thanksgiving / December = Christmas Party

The meeting was adjourned at 8:25 to Culvers where Jim & Cindy shared a banana split that Eleanor can eat all by herself. Just saying...

Secretary,  
Jim Butler
